PRIORITIZING TRANSPORTATION INFRASTRUCTURE INVESTMENTS: Wheat Export Supply-Chain Workshop

**LOCATION: SEATTLE, WA
SEATTLE-TACOMA AIRPORT, CONFERENCE CENTER**

DIRECTIONS:

[HTTP://WWW.PORTSEATTLE.ORG/BUSINESS/CONFERENCE-FACILITIES/THE-CONFERENCE-CENTER-AT-SEA-TAC/PAGES/DIRECTIONS.ASPX](http://www.portseattle.org/business/conference-facilities/the-conference-center-at-sea-tac/pages/directions.aspx)

Registration (free) by March 16th, 2018: Please RSVP to Morgan Conklin at morgan.conklin@wsu.edu

The objective of this workshop is to engage transportation stakeholders in the region and present the findings from recent research efforts aimed at modeling and measuring transportation infrastructure improvements that support specific export supply-chains. This research is sponsored by the United States Department of Agriculture and focuses primarily on U.S. Wheat Exports. This approach could be utilized to prioritize national, regional and local transportation infrastructure investments. The workshop is organized by:

Freight Policy Transportation Institute
Washington State University
School of Economic Sciences
Eric L. Jessup, Associate Professor
Ken Casavant, Emeriti Professor

Audience:

- ✓ Wheat Producers/Processors, Transportation Policy Planners (State, Local, Regional), Transportation Service Providers, Shippers, Ports, Freight Planners, Wheat Marketing Organizations

Workshop Agenda

- Introductions & Workshop Objectives
- Research Project Description
- Stakeholder Outreach
- CGE Modeling of Transportation Projects
- Practices, Tools, and Measuring Results
- Feedback Session
